

# BROTHERS TILL WE DIE TILL WE DIE

Brothers Till We Die are young guys with many releases and over 200 shows. They represent Spanish brutal hardcore metal at its finest.

"Touch These Wounds // I Came Back From Death" is the newest full length album with 12 songs recorded in January 2019. The album brings a fresh vision of beat down hardcore with brutal and gang vocals, dynamics between fast, slow and heavy parts, death metal, breakdowns and melodic solos. Already accepted by the genre's frontrunners BTWD regularly cooperate with international names. The new songs feature guest appearances from Malevolence and Desolated members. The album will be released via German label Dead Serious recordings, a home of bands as Madball, Paura, Sick Of It All, Terror, Breakdown, Outburst, Raw Deal, First Blood, Merauder, Sworn Enemy, Hazen Street, 100 Demons

Brothers Till We Die is a touring band. They started with touring Spain playing small clubs, specialised festivals and big festivals as Resurrection Fest. They did several tours in Germany, UK, France, Benelux, Denmark and Eastern Europe, and shared stages with Malevolence, Comeback Kid, Nasty, Caliban,... Brothers Till We Die will tour Europe again promoting their new release and recently announced a top spot at this years Resurrection Festival. BTWD will play on main stage just before While She Sleeps, Trivium, Arch Enemy and Slipknot.
