

DELUMINATOR is a 5 piece Hardcore/Crossover band from Dresden/ Germany.

Founded in 2014 they released two 7Inches and their debut full length "Built to Kill" via Farewell Records in autumn 2016.

After more than 100 shows and 3 tours through europe they played club shows and festivals alongside the biggest names in the game like Hatebreed, No Warning, Trapped Under Ice, Napalm Death, Code Orange.

This band combines metal riffing and solo licks with Punkrock attitude and leads it into heavy moshpits and singalongs.
