

SIR REG is an energetic seven piece from Sweden fronted by Irishman *Brendan Sheehy* on vocals, who left his home-town of Dublin to come to Sweden to fulfill his dream – to put together the most amazing band possible.

With songs about everything from the issues of modern day society to finding the right bar on a Saturday night, combined with strong melodies and explosive live shows, *SIR REG* have made a name for themselves in the Celtic punk and rock scene.

Since the birth of the band in 2009 they have released six critically acclaimed albums and have performed on many of the World's biggest stages alongside bands like *The Mahones*, *The Misfits*, *Thin Lizzy* and *The Real McKenzies*.

The new album *Kings of Sweet Feck All* (2022) continues the story of the tales and struggles of the ordinary men and women – fighting to make their voices heard and opinions count, while not losing their spirit and ability to enjoy the simpler things in life, like hanging out with friends at their favourite bar on a Saturday night.

***"... SIR REG kicked off the proceedings and blasted out their music like
A SWIFT BLOW TO THE FACE!***

***Their stage presence is overwhelmingly energetic, an energy that is
projected right into the heart of the audience ..."***

- Jim Bergqvist, Rockbladet

***"Sir Reg are one of the leaders of the new wave of Celtic-punk and are
very much snapping at the heels of the original scenesters ..."***
